

ENTRY INTO THE REGISTER OF ALUMNI OF THE MPIC / THE MPG

Every year, scientists from all over the world come to our Institutes and go out into the world from the Institutes as alumni. We would like to make use of this circumstance in order to build a worldwide, multidisciplinary network together with our alumni, in which both professional and private topics have their place, no matter where in the world our alumni are currently located. It is left to the alumni themselves whether they wish to participate in the alumni network of their MPI only or in the MPG-wide alumni network (see Declaration of Consent).

Mandatory fields for the entry in the mailing list are surname, first name, email address, date and signature; all other information is optional and will only be processed if it is entered here.
